

PE+PLUS! Physical Education for Homeschoolers with a Lifelong PLUS!

What parents have said about PE+PLUS over the last 20+ years:

"PE+PLUS has been the perfect fit for our family! Our two teenaged boys needed activity & a chance to meet friends, since we were new to the area. They enrolled in two classes a week. We loved this option of "class," as opposed to joining a sports league, because it brought the opportunity to learn the rules & strategies for a wide variety of sports & games while in a fun, safe, & encouraging environment, led by a very skilled, patient, & Godly coach. Our sons needed the basic knowledge & confidence so that they knew what they were doing and would be able to join in a "pick-up game" at many points in their future." – A.H. (homeschool mom)

"I wanted you to know how much we appreciate all you do for so many families. We love PE+PLUS, not just for the physical benefits, but for the friendships we have made there (I often think the mom friends are as important as the kid ones)! We are already counting the days until PE starts up again (next semester)! Blessings to you all!" -- L.A. (homeschool mom)

"PE+PLUS is a wonderful program that my 14-year-old daughter has enjoyed since preschool. She has always looked forward to the fellowship & fun she has found there. My husband & I appreciate that this is not your ordinary sports program. Coach Dave teaches the kids comprehensive understanding of many sports, while emphasizing Christ-like sportsmanship." – N.C. (homeschool mom)

"Coach Dave has been one of God's agents for my two children. Not only have they learned many sports skills, but also teamwork, leadership, character, sportsmanship – how to win (& how to lose), how to handle emotions during physical play – plus many real-life applications of life skills. This activity is SO FUN that my kids did not want to miss it & worked toward it all week long. In the end, in our house, PE is the ONLY homeschool activity that is non-negotiable in our schedule & budget." – S.R. (homeschool mom)
