DODGEBALL CAMP

Grades: 4-12

-- Can you ever get enough Dodgeball? Students love to take it to a whole new level at this 3-day summer camp! An opportunity to play Elimination Dodgeball (modelled on Pro Dodgeball). We'll also play some of the classics like Snowball, Prison, Battleship, Dynamite, Bears & Bunnies, and Spy Doctor/Target. There will be a small team tournament each day.

KIDS' CAMP (INCLUDING DODGEBALL)

Grades: K-3

-- Three fun-filled days of high activity. Campers will enjoy games of Mass Soccer & Lacrosse after working on skills and some fun drills. The final day we will be finishing with **Dodgeball**, in its many varieties, just because they love it -- AND it's also great for eye/hand coordination (catching and throwing). The dodging is great for building spatial awareness, balance, and confidence, too!
